PETITION: PROTECT NSW KOALAS

To the Honourable President and Members of the Legislative Council of New South Wales

This petition of citizens of New South Wales draws to the attention of the House that:

1. Koalas in NSW are facing multiple threats to their existence as a result of habitat destruction by logging on private lands, State Forests and land clearing for the Pacific Highway upgrades.
2. The petitioners call upon the Minister for the Environment to:
    a. Ensure the regulations and codes for the Biodiversity Conservation Act and Local Land Services Amendment Act strengthen protections for koalas and their habitat including restrictions on logging and land clearing in environmentally sensitive areas.
